**“CPHI & PMEC India has served us the best platform where people from all over the world are coming together under one roof. The event provides the opportunity to interact, meet various clients and grow your business. The event was very successful as we met many clients and nurtured relationships. Get Phar More!”**

Mr. Ashok Kumar, Vice President, Nectar Life Sciences

# India Pharma Week

Running alongside the exhibition the 6th edition of India Pharma Week took place in Delhi NCR. A week full of pharma events was organised alongside CPHI & PMEC India, focusing on business, leadership, knowledge, innovation, recognition and networking.

## Pharma Connect Congress

Pharma Connect Congress is driven by powerful content the forum promises to provide a unique opportunity. This event brings the industry together to share thoughts on pharma's next growth phase.

## Women in Pharma Roundtable

An initiative aimed at acknowledging and celebrating the significant and continued contribution of women to the pharmaceutical industry in a closed-door roundtable discussion. Female luminaries celebrate women's contribution to pharma, biopharma, and life sciences.

## CEO Roundtable

Pharma and Biopharma CEOs conduct a thought-provoking deep dive into Indian pharma developments.

## India Pharma Awards

One of the industry's most trusted awards, and an opportunity to position your brand with the best in pharma.

**"CPHI & PMEC India has given opportunity to many mid-scale companies to increase their reach far beyond Indian boundaries. The quality and quantity of visitors have made CPHI India a real success, making this show bigger and better every time."**

**Rahul Wadhwa**, Business Development Manager, Nitin Lifesciences Ltd.

The CPHI India event focuses on API, Finished Formulations, Outsourcing, Generics, Excipients and Drug Formulation, Fine Chemicals, Lab Chemicals, Biotechnology and Biosimilars

**The show is divided in the following zones:**

### **API**

Gathering the experts in alkaloids, amino acids, antibiotics, enzymes, peptides and more, this is the zone for ingredient manufacturers.

### **Excipients**

This zone gathers high-quality pharmaceutical excipients providers offering products ranging from preservatives, antioxidants, coating material, sweetening agents and colorants.

### **Fine Chemicals**

Whether you are a Custom Manufacturing Organisation or a Contract Research and Manufacturing Organisation, this is the zone to showcase your process, synthesis, chemical, extraction & purification and fine chemical manufacturing expertise.

### **FDF**

Brings every aspect of the finished dosage supply chain together in one global location, from Big Pharma to in/out-licensing specialists, end product distributors and end-user agents.

### **Natural Extracts**

Dedicated zone showcasing the latest natural extract products, applications and solutions ranging from plant extracts, animal extracts, health product raw materials, supplements, covering each market segment of the plant extract industry

Offers a specific highlight on Pharma Machinery and Equipment, Packaging Equipment & Supplies, Process Automation & Controls, Testing & Measurement, Validation, Automation & Robotics, Processing Equipment, RFID and more

**The show is divided in the following zones:**

### **Machinery**

This zone dedicated to robotics and automation brings all aspects of machinery, from fluid to preparation, logistics, purification, packaging and environmental protection as well as automation equipment, robotics and engineering together.

### **Lab & Analytics**

With a focus on R&D, this is the place for inspection and analysis solutions providers for the pharmaceutical chemical and biotechnology fields.

### **Clean Room**

This zone is dedicated to pharma professionals showcasing clean clothes & material, air filters, clean air conditioning, stainless steel equipment, cleanroom engineering design, cleanroom certifications and more.

### **InnoPack**

Gathering first-line packaging equipment and material enterprises, this zone will offer pharmaceutical manufacturers a comprehensive range of glass, pouches, bottles, caps, tubes, plastic packages as well as printing and trademarks solutions.
