

VISITOR SUSTAINABILITY CHECK LIST

4 things to remember:

-  As a visitor your biggest environmental impact is from travelling to the event. Pick public transport such as trains over planes or taxis. 
-  At the show be aware of what waste you are generating and reduce it as much as you can, ensure you use the recycling facilities provided. 
-  Ask exhibiting companies about the sustainability credentials of their business and their products. 
-  Check out our event charity partner, how could you support them?
