▶ RECAP: VISITOR TESTIMONIALS

“

Privileged to be surrounded by so many talented and passionate pharmaceutical professionals. It's been an energising few days of innovation, partnership, and shared purpose. We're excited to continue developing the Australian market with new partners while strengthening the foundations we've built with our existing ones. Truly humbled to be part of this journey. Onwards and upwards! Thank you Shanghai for the hospitality.

— **Hala Raghib, Chief Executive Officer of Reach Pharmaceuticals**

“

Our participation at CPHI China facilitated productive discussions and the identification of promising business prospects. This has reinforced our collaborative relationships and strategically positions us for future initiatives.

— **Ireny Badry, Managing Director & Founder of ME Pharma**

“

We have been visiting the CPHI & PMEC China for many years, and we are pleased to see that the scale of the exhibition has expanded again this year, maintaining a good overall quality. Through the exhibition platform, we successfully connected with several high-quality suppliers that meet our needs, providing us with an efficient procurement matching platform.

— **WuXi AppTec**

▶ RECAP: EXHIBITOR TESTIMONIALS

“

It's been an incredible 3 days, filled with insightful discussions, valuable connections, and a shared passion for advancing global healthcare.

We were proud to showcase our capabilities, exchange ideas with industry peers, and be part of conversations that shape the future of pharma.

Grateful for the enthusiasm and energy throughout the event—and we look forward to staying connected and engaged!

— **Biocon**

“

Just wrapped up a fantastic experience at CPHI China, where we had the opportunity to connect with customers and partners from across the globe. It was energizing to explore new business opportunities and strengthen existing collaborations.

— **CHIERON ACTIVE INGREDIENTS PRIVATE LIMITED**

“

This exhibition allowed us to fully experience CPHI China's outstanding capabilities in connecting domestic and international players in the biopharmaceutical field! From the forward-looking exhibition themes to the industry influence of the organizers, everything demonstrated an extremely high level of professionalism. The face-to-face business negotiation model at the exhibition was more efficient and practical.

— **Kexing Biopharm Co., Ltd.**

▶ RECAP: CONTENT FACTS & FIGURES

The event featured an impressive lineup of over 90 high-level conferences that convened more than 600 distinguished experts from across the globe. This elite gathering included government regulators, leading researchers, and industry executives who engaged in critical discussions addressing international policy reforms, evolving global trade dynamics, cutting-edge R&D developments, and advancements in green intelligent manufacturing technologies.

Running
a Socially
Responsible
Event

Running an
Environmentally
Responsible
Event

We are doing this by:

- CPHI & PMEC China promotes **sustainable developments in pharma** through its dedicated Environmental Protection Zone, diverse content sessions on sustainability and enduring partnerships with NGOs.
- **Better Stands** is about moving away from the use of disposable stands to not only vastly reduce waste, but also improve the ease, safety and sustainability of the exhibitor experience at CPHI & PMEC China.
- CPHI & PMEC China is powered by **renewable electricity**, which is carbon neutral, greatly reducing our event's carbon footprint.
