Testimonials:

"We had a very pleasant experience at this CPHI exhibition. We not only showcased our products, technologies and services, but also had face-to-face exchanges and communication with customers, learned about their needs, received suggestions and feedback, and also saw the excellent performance of our peers, which encouraged us to make progress and continue to develop."
Colorcon, (Exhibitor)

"CPHI China provides us with the opportunity to meet directly with foreign customers and establish new cooperation. We look forward to getting better and better."
Mr. Li, Sales Manager, Hangzhou Chenming Biotechnology Co., Ltd., (Exhibitor)

"We have been visiting the CPHI & PMEC China for many years, and we are pleased to see that the scale of the exhibition has expanded again this year, maintaining a good overall quality. Through the exhibition platform, we successfully connected with several high-quality suppliers that meet our needs, providing us with an efficient procurement matching platform."
