Opening hours*

28 October
10:00 – 18:30*

29 October
10:00 – 18:30*

30 October
10:00 – 16:00*

**Please note that access times vary by pass type:*

Exhibitors from 8:00 AM

Leaders (Leader, Platinum Leader, Networking Leader) from 8:30 AM

Explorer Pass holders from 9:00 AM

Standard Pass holders from 10:00 AM

What's new?

Discover exciting additions to this year's event, designed to enhance your experience and provide more opportunities for connection and innovation.

New zones

Cleanroom | Hall 4.0

Critical to quality: Explore solutions for contamination control, environmental monitoring, and controlled manufacturing environments.

Cold Chain & Logistics | Hall 4.0

End-to-end integrity: Connect with suppliers focused on temperature-controlled logistics, packaging, monitoring and transport solutions.

Sustainability Supplier Zone | Hall 4.0

Collaborating for change: Discover leaders delivering solutions that drive our industry forward while reducing environmental impact and building resilience.

Mentorship Programme

Meaningful connections:

Find your professional match from across the pharma industry. Join the onsite programme on **29 October 2025**, including an exclusive networking party. Scan the QR Code to **sign up and to find out more:**

CPHI Global Marketplace

Are you unsure which international events align with your growth strategy and business goals?

Visit the **CPHI Global Marketplace in Hall 12.1** to explore our comprehensive portfolio of events, spanning from Tokyo to Philadelphia and everywhere in between. Discover the markets that best fit your objectives and connect with our team for tailored insights on how each event can support your business.

While you're there, don't forget to indulge in regional treats!

Your guide to what's on at CPHI Frankfurt

We know three days can go by in the blink of an eye, so here is your 'to-do' checklist to help you maximise your time in Frankfurt.

Get tech ready

Download the **CPHI Event Planner App** and make sure to tag **#CPHIFrankfurt** in all your posts online.

Welcome & Registration sponsor: HONOUR

Plan your daily schedule

Review the Exhibitor List to **pre-book your meetings** and **bookmark the content sessions** you want to see, available across our six conference theatres and on the Spotlight Stage.

Join the Opening Ceremony

Taking place on **28 October, 10:00 in the Galleria**, to kick CPHI off in style as **we cut the welcome ribbon** and enjoy live performances. Coffee and light breakfast will be provided from 9:30.

Book your spot at CPHI Celebration*

Be a part of the **CPHI Pharma Awards ceremony!** Taking place on **28 October, 18:00–22:00, Forum**

Awards party sponsors: IQVIA

Explore the show floor

Be sure to take the time to **explore the full show floor** and enjoy features like the *Networking Playground*, *Insights Lounge*, *Sustainability Centre* and *Galleria Networking Hub*.

Use the Event Planner App's **live navigation feature** to help you find your way!

Relax and unwind!

Stop by the **CPHI Happy Hours**, taking place from **18:00–20:00 on the 28 & 29 October**, in the **Galleria**. Prost!

HALL 4.1
FOYER

Get a blast of inspiration in our cyclone tube!

No registration needed – simply show up at **12:00–14:00 on the 28 & 29 October** and step into our wind chamber to grab sponge balls whizzing around in our cyclone.

Hall 9.2 B38
Hall 12.1 D30
Hall 11.1 D88
GALLERIA

Networking Playgrounds

Take a breather from the busy exhibition floor in our **casual connection hub**. Enjoy comfortable seating zones, interactive networking elements, and a pressure-free environment to make those meaningful connections.

**Free for Networking and Platinum Leader Pass holders (reservation required). All other pass holders and exhibitors must purchase a ticket.*

Start looking ahead to CPHI Milan 2026!

Get ahead of the crowd and **enjoy the best pricing today.**

Don't miss out...

There is a lot happening and it would be a shame to miss out on some of the most exciting features available to you this year! Allow us to make some suggestions for places to visit.

Start-Up Market | Hall 4.0

This year we are proud to host **100+ Start-Ups** from all around the world. Make sure you join us and step into a world of innovation at the CPHI Start-Up Market, a dynamic hub dedicated to fostering visionary ideas, collaboration, and growth. Discover the brightest emerging companies, experience the latest breakthroughs and transformative technologies poised to revolutionise our pharma industry. Visit the CPHI Start-Up Market and be part of the innovation that's defining the future of the whole pharmaceutical ecosystem. **Discover, connect, and be inspired!**

Thank you to our partners for supporting the CPHI Start-Up Market and driving pharma innovation forward

Insights Lounge | Hall 4.1 Foyer

Visit us in the foyer of Hall 4.1 to celebrate our 10th anniversary and give us even more feedback to improve for future editions.

Sustainability Centre | Hall 4.0

The Sustainability Centre is your go to space for conversation about the strategies and innovations redefining progress in our sector. Make sure you join us for a coffee, a chat and let's get inspired for the coming year! **Ask us about our CPHI Sustainability Collective**, we are super excited to tell you more.

Water stations

Staying hydrated is key to a productive experience! Find convenient water stations scattered throughout the venue. Our premium branded water bottles are available for collection at registration and they are yours to keep.

Sponsored by

Pharma Fuel: The breakfast that powers your business forward!*

Day 2: 8:00 to 9:30 in Hall 4.0

Start your day with **meaningful connections, fresh ideas, and the energy to maximise your CPHI experience.** This curated gathering offers a unique opportunity to discover breakthrough innovations, learn from successful founders and establish valuable partnerships in an intimate setting before the main exhibition floor opens.

**Complimentary for Start-Ups & invited guests*

Pick up your complimentary sustainable coffee cup at the Insights Lounge, Sustainability Centre, or Galleria entrance.

#HealthForAll

With unparalleled strengths in pharmaceutical research, manufacturing and marketing, we are strongly positioned to serve people regardless of geographies.

Hetero in Numbers

36+
API, FDF & Biosimilars
manufacturing facilities

50+
strategically located
marketing offices

30000+ vibrant
global workforce
united by a cause

450+ APIs, **550+** FDFs
life-saving solutions
for every health concern

6 world-class R&D centers
2000+ scientists

We are amongst the largest producers of Active Pharmaceutical Ingredients (APIs) in the world.

Our facilities are approved by the top pharma regulatory bodies of the world like USFDA, EMEA and MHRA.

We cater to 40%* of existing global demand for Anti-Retroviral (ARV) APIs and Finished Dosage Forms (FDFs) used in HIV/AIDS treatment.

We are the trusted partner of choice to multinational pharma giants and global procurement bodies.

Content overview

Content overview 2025

This year we're providing six sector-specific content theatres and a bonus **Spotlight Theatre** for even more inspirational knowledge sharing.

Leader, Networking Leader and Platinum Leader Pass holders also have access to our exclusive **Leadership Summit**, but pre-registration is required.

Connecting leaders, empowering change

Where pharma's future takes shape

Join an exclusive gathering of pharma industry visionaries, C-suite executives, and decision-makers at the CPHI Frankfurt Leadership Summit. This premier event creates a unique platform for collaborative problem-solving, strategic insights, and transformative discussions that will shape the future of healthcare delivery.

We bring together the brightest minds in pharma to tackle our industry's most pressing challenges head-on. This is where visionary leaders like you come together to share insights, forge solutions, and chart the course for healthcare's evolution.

This event is available to Leader, Networking Leader and Platinum Leader Pass holders

Agenda

10:25 – 10:30 | Opening Remarks

10:30 – 10:40 | Welcome Address by
Ensera

10:40 – 11:10 | Major Issues Impacting the
Future of Pharma

11:10 – 11:50 | Pharma's Global Economic
Outlook: Balancing Regional Challenges
With International Opportunities

11:50 – 12:00 | Closing Address

Facilitator

Markus Sieger, CEO, *Polpharma
Group Holding BV*

Christoph Buerki, Global Head of
Procurement & CDMO, *Novartis*

Greg Behar, CEO, *Recipharm*

Christian Seufert, Head of Advanced
Synthesis, *Lonza Group Ltd*

Marinela Cebic, VP Global Regulatory
Affairs and Quality Assurance, *Ensera*

Leadership Summit – Curated for pharma decision makers

Join fellow decision-makers who
understand that the future of pharma is
about collaborative progress.

Together, we'll explore challenges,
uncover opportunities, and build the
partnerships that will define tomorrow's
healthcare landscape.

Featuring a stellar lineup, this premier
event brings together decision-makers
to highlight key issues shaping the
pharmaceutical landscape and set the
theme for the entire event.

Join the **Leadership Summit**

Next-Gen Bio

Theatre Sponsor:

FUJIFILM

The Next-Gen Bio Theatre connects global leaders and emerging players across the global supply chain to explore cutting-edge developments in bio-manufacturing. With topics ranging from AI and digital transformation to advancements in cell, gene, and mRNA therapeutics, CPHI Frankfurt offers a platform for sharing top-tier content and fostering collaboration in the industry.

Tuesday, 28 October 2025 | Hall 4.1 – 4.1J48

10:50 – 11:00 Opening Address Day 1

- Christian Roghi, Strategy Catalyst, Bidgyz

11:00 – 11:30

The State of AI in Next-Generation R&D

- Eva-Maria Hempe, Head of Healthcare & Life Sciences, NVIDIA

11:35 – 11:50

Lightning Talk: Bioinformatics, Molecular Modelling, and AI: Transforming the Enzyme Engineering Landscape

- Marina Canellas, COO, Zymvol Biomodeling

11:55 – 12:10

Lightning Talk: Innovating the Future of Biologics R&D

- Silvia Scaglione, Research Director CNR and Chief Scientist, React4life

12:15 – 12:30

Lightning Talk: Overcoming Bottlenecks in Drug Development: The Future of Nanoparticle Characterization

- Viktoria Enkmann, CEO, RNAalytics

12:30 – 13:15 Networking Break

13:15 – 13:40

Off-Patent Semaglutide in 2026: The Next Revolution in Anti-Obesity Medications

- Aurelio Arias, Director, EMEA Thought Leadership, IQVIA

13:45 – 14:10

Redefining CDMO Partnerships Through EnzeneX™ 2.0 and Fully-Connected Continuous Manufacturing™

- Himanshu Gadgil, CEO, Enzene

14:15 – 14:40

Refining the Antibody Capture Process: Innovations for Enhanced Purity and Efficiency With Modern Affinity Resins

- Mats Ander, Global Product Manager, Cytiva

Hall 4.1

14:45 – 15:10

Advancing the Future of RNA Therapeutics Through Process Analytical Technology

- Aaron Cowley, Chief Scientific Officer, Recipharm – Advanced Bio

15:15 – 15:40

One Size Fits All: Advancing Single-Use Bottle Filling for Bioprocessing

- Markus Fürhapter, Chief Technology Officer, Single Use Support

15:45 – 16:10

Beyond Pills: Integrating the Microbiome into the Future of Drug Development

MODERATOR: Christian Roghi, Strategy Catalyst, Bidgyz

- Anders Grøn, CEO, Cmbio
- Silvia Scaglione, Research Director CNR and Chief Scientist, React4life

16:15 – 17:00

Panel: Advancing ADCs: Precision Innovation for the Future of Targeted Therapies

MODERATOR: Bikash Chatterjee, President & CSO, Pharmatech Associates – A USP Company

PANELLISTS:

- Kern Chang, Chief Technical Officer, Lotte Biologics
- Juergen Rotzler, Former Vice President, Operational Development Services, Solvias AG
- Daniel Fleischanderl, Head of Upstream Development, Development Operations Austria, Boehringer Ingelheim RCV
- Venkatesh Srinivasan, Chief Technical Operations Officer, Sutro Biopharma

17:00 End of Day 1

Wednesday, 29 October 2025 | Hall 4.1 – 4.1J48

10:50 – 11:00 Opening Address Day 2

- Thomas Halfmann, COO, consigliere tom gmbh

11:00 – 11:30

Keynote: State of Biopharma – Rethinking Innovation Amid a Shifting Landscape

- Hala Audi, CEO, Unizima (Univercells group)

11:35 – 12:30

Panel: Redefining Bio-Manufacturing for a Faster, Sustainable Future

MODERATOR: Thomas Halfmann, COO, consigliere tom gmbh

PANELLISTS:

- Gaston Salinas, CEO & Co-Founder, Botanical Solution Inc. (BSI):
- Stefan Schlatter, Head of Manufacturing Science and Technology Drug Substance Biopharmaceuticals, Boehringer Ingelheim Biopharmaceuticals
- Christian Houborg, General Manager & SVP, FUJIFILM FUJIFILM Biotechnologies

- Yannic Werner, EMEA Manager of Pharmaceutical and Microbiological Quality Control, FUJIFILM Wako Chemicals Europe GmbH

12:30 – 13:15 Networking Break**13:15 – 13:40****Green to Scale: Plant-Based Polymer for Efficient Adherent Cell Manufacturing from Small to Large Scale**

- Kai Neseemann, Head of Business Development, Green Elephant Biotech

13:45 – 14:10**Analytical Testing in ADC Development: From Cell Bank Characterization to Market Approval**

- Luc-Alain Savoy, Global Head of Biologics, SGS
- Philippe Grimm, Business Development & Marketing Director, SGS

14:15 – 14:40**Data-Driven Strategies From Cytiva to Cut Scope 3 Emissions in Biopharma: From Ecodesign to Process Intensification**

- Guy Soubeyroux, Senior Director Sustainability, Cytiva

14:45 – 15:10**Leveraging Continuous Biomanufacturing Within a kojoX™ Ecosystem for Improved Accessibility to Complex Biotherapeutics**

- Jonathan Haigh, Head of UK Sites, FUJIFILM

15:15 – 15:40**Streamlining Qualification of Custom Products in Biopharmaceutical Manufacturing: Solutions for Single-Use Systems and Cell Culture Media**

- Jessica Shea, Senior Program Manager, Emprove® Program, Merck

15:45 – 16:00**Case Study: How to Pave the Road to African Manufacturing Equity?**

- Valerie Chambard, Supply Chain lead, CEPI instead
- Vishal Mukund Sonje, Vaccine Manufacturing Lead, CEPI

16:00 – 16:45**Sustainable Development of Vaccine Manufacturing in the Global South**

MODERATOR: Pushpa Vijayaraghavan, Director, Sathguru Management Consultants

PANELLISTS:

- Juan Roberts, Partner, TheMindCo
- Youness Alaoui Mdarhri, Supply Chain & Procurement Director, Marbio
- Valerie Chambard, Supply Chain lead, CEPI

16:40 – 17:15**Regional Insight: Asia's Biologics Market: Growth Amid Geopolitical Crosswinds****17:15 End of Day 2****Thursday, 30 October 2025 | Hall 4.1 – 4.1J48****11:00 – 11:40****Navigating Growth: Lessons from the Startup Journey**

MODERATOR: Debra Harrsch, President & CEO, Bandwidth Solutions, LLC

PANELLISTS:

- Terry Katz, CEO, Forgestop
- Salvatore Mascia, CEO, CONTINUUS Pharmaceuticals
- Paul Senn, CEO, Galvita

11:45 – 12:20**Next-Gen Biotech: Startups Shaping Research and Innovation**

MODERATOR: Ana Antunes, Head of International Affairs, MABDESIGN

PANELLISTS:

- Matthias Müllner, CEO, bespark*bio
- Nick Kotlarski, President, Bioworkshops
- Manuele Biazio, CEO, The BioArte
- Emma West, CEO & Co-Founder, Digital Biology

12:20 – 12:50 Networking Break**12:50 – 13:15****Improve Manufacturing Efficiencies With the Latest Advanced Chromatography Resins**

- Sean Rotter, Field Application Scientist, Ecolab Life Sciences

13:20 – 13:45**Pathway to \$10/g Biologics Production: Reshaping the Biomanufacturing Landscape**

- Peng Jiao, CEO, BiBo Biopharma Engineering Co., Ltd.

13:45 End of Conference**Missed a session?**

All content will be made available on

Manufacturing 5.0

Theatre Sponsor:

ThermoFisher
SCIENTIFIC

Our Manufacturing 5.0 Theatre will delve into trends and developments within the CDMO space while highlighting the latest technological advancements in manufacturing. Attendees will explore the evolving landscape of CDMOs, receive updates on regulatory compliance and partnering strategies, and discover the growing influence of AI and machine learning in production processes

Tuesday, 28 October 2025 | Hall 4.1 – 4.1L8
10:50 – 11:00 Opening Address Day 1

- Gerardo Zapata, Biotechnology Consultant, Zapata Bio LLC

11:00 – 11:30
Global Pharma Manufacturing in Flux: Adapting to a New Era of Complexity

- Frances Zipp, President & CEO, Lachman Consultant Services, Inc.

11:35 – 12:20
CDMOs at a Crossroads: Scaling, Adapting, and Partnering for the Future

MODERATOR: Raman Sehgal, Host, Molecule to Market

- Nuria Amador, Head of Europe and North America, Global Partners Markets, Almirall
- Yassine Laqbayli, Director – External Manufacturing, Bristol-Myers Squibb
- Gil Roth, President, Pharma & Biopharma Outsourcing Association
- Anil Kane, Global Head of Technical & Scientific Affairs, Thermo Fisher Scientific
- Dania Chehab, Head of EMEA Pharma Services, JP Morgen

12:20 – 13:30 Networking Break
13:30 – 13:55
The Role of Non-Animal Recombinant Collagen Proteins in Biomedical Applications: From Vaccine Stabilization to Artificial Organs

- Martin Junginger, Senior Expert Global Category Management Pharma & Bioscience, GELITA AG
- Katrin Kaspar, Technical Service & Product Development Pharma and Consumer Health EMEA, GELITA AG

14:00 – 14:25
Strategies & Solutions for Launching OTC & Rx Gummies

- Aaron Dely, VP Research & Development, PLD Pharma Services

14:30 – 14:55
Make Your Supply Chain Work Smarter: Dual Sourcing With a TCO Twist

- Dom Price, Sr. Manager of Technical Specialists, CGMP Chemical and Services, Bioproduction, Thermo Fisher Scientific

Hall 4.1

- Craig Arrington, Sr. Director Global Supply Chain, Bioproduction, Thermo Fisher Scientific

15:00 – 15:25
CMC Strategies for Advanced ADC Manufacturing: Overcoming Complexities & Optimizing for Success

- Sun Chau Siu, Executive Director, Head of Global Regulatory Affairs, Altruist Biologics

15:30 – 15:55
New Year, Same Challenges: Pharma's Ongoing Struggle With FDA 483s

- Patrick Falvey, Principal Consultant II, Sia Partners

16:00 – 16:45
Continuous Manufacturing: A View Into the Future of Pharmaceuticals Production

MODERATOR: Edgar A. Pogna, Director, L.E.K. Consulting

PANELLISTS:

- Gabriela Grasa Mannino, Programs Director, US Pharmacopeia
- Salvatore Mascia, CEO, CONTINUUS Pharmaceuticals
- Rohtash Kumar, Senior Vice President, Development Operations & Chief Technology Officer, Veranova
- Philip Coetzee, Director CMO Management, Daichii Sankyo

16:45 End of Day 1
Wednesday, 29 October 2025 | Hall 4.1 – 4.1L8
10:50 – 11:00 Opening Address Day 2

- Michael Schorpp, Head of Digital Innovation & AI, Global Regulatory Affairs, Boehringer Ingelheim

11:00 – 11:30
AI Disruption in Pharma: From Hype to Real Impact

- Bruno Fabre, Business Owner, The Bright ID

11:35 – 12:20
AI in Pharma: Ask Us Anything

- Michael Schorpp, Head of Digital Innovation & AI, Global Regulatory Affairs, Boehringer Ingelheim
- Sean Musch, CEO/Founder, AI and Partners B.V.
- Amir Abou Elmagd, Attorney-at-law, Genome Lawyers B.V.

12:20 – 13:30 Networking Break
13:30 – 13:55
What's Your Next Move – And What Will It Cost You? Driving Value Under Pressure

- Jennifer Cannon, President, Commercial Operations, Pharma Services Group, Thermo Fisher Scientific

14:00 – 14:25

A Bridge to the Future of Aseptic Manufacturing: A Pharma 4.0 Case Study

- Chad Hafer, Director, Technical Operations – Aseptic Fill-Finish, Kindeva

14:30 – 14:55

Smarter Molecule Development: AI-Driven Tools and Model-Based Approaches in Early-Phase

- Francois Ricard, Executive Director, R&D, Advanced Synthesis, Lonza

15:00 – 15:25

Nitrosamine Impurities

- Emiliano De Dominicis, Chemistry Research Director, Mérieux NutriSciences

15:30 – 15:50

From Science to Scale: Crossing the Hype Chasm With Industrialized GMP AI in API and Drug Manufacturing

- Toni Manzano, Co-Founder and Chief Science Office, Aizon

15:50 – 16:10

The Competitive Advantage of AI for CDMOs: A Practical Case Study on Profitability and Compliance

- Kasha Malysz, Operational Excellence Project Manager, Recordati Ireland

16:10 – 16:30

Current and Future Applications of 3D Printing in Pharmaceutical Dosage Form Development

- Michael Gosselin, VP, Pharmaceutical Development, Aprelia Pharmaceuticals

16:30 – 16:50

AI-Driven Launch Excellence: Transforming Pharma Launches for the Future

- Chetak Buaria, Vice President – Commercial Operations (Oncology), Merck Healthcare KGaA

16:50 – 17:10 Q&A and closing remarks

17:10 End of Day 2

Thursday, 30 October 2025 | Hall 4.1 – 4.1L8

11:00 – 11:30

Current Status of Pharma and Biotech From a Capital Markets Perspective and the Implications for Pharma Services

- Thomas Kern, Managing Director, ISP HEALTHCARE

11:35 – 12:15

Redrawing the Pharma Investment Map: How Trade and Policy Are Reshaping Capital Flows

MODERATOR: Paul Tomasic, Managing Director – Head of European Healthcare, Houlihan Lokey

PANELLISTS:

- Kelly McGinnis, President, Business Operations, Biopharma Services Sector, Thermo Fisher Scientific
- Maurizio Silvestri, Executive President, DMX PHARMA
- Riccardo Braglia, Executive Chairman, Helsinn Group

12:15 – 12:45 **Networking Break**

12:45 – 13:10

How Softgel and Zydis® Platforms Enable Lifecycle Strategies and Product Differentiation

- Karunakar Sukuru, R.Ph., Ph.D., Global Vice President, Pharma Product Development & Head, Scientific Advisory, Catalent

13:15 – 13:40

Bioavailability Enhancement Strategies for Targeted Protein Degraders

- David O'Connell, Director of Scientific Affairs, PCI Pharma Services

13:40 **End of Conference**

Theatre Sponsor:

Sustainable Futures

Our Sustainable Futures Theatre brings together leading minds in sustainability management. Our programme takes you on a journey from holistic understanding to driving impactful change. We will discuss the current status of our industry and assess key emission drivers. Building on this foundation, we'll explore how to accelerate change through the role of your chief sustainability officer, sustainable procurement, the impact of business models, and, of course, inspiring solutions across the pharma industry.

Tuesday, 28 October 2025 | Hall 4 – 4.0G3610:50 – 11:00 **Opening Address Day 1**

- Isamir Martinez, Assistant Director ACS Green Chemistry Institute / Office of Sustainability, American Chemical Society

11:00 – 11:30

Keynote: Sustainability in a Shifting World: Communicating With Clarity, Acting With Purpose

- Maija Pohjakallio, VP, Climate and Circular Economy, Corporate Affairs, Metsä Board

11:35 – 12:20

Panel: Collective Action, Real Results: The Power of Partnership on Scope 3 Emissions

MODERATOR: Peylina Chu, Chair, Steering Committee, CPHI Sustainability Collective

PANELLISTS:

- Sushree Mishra Head, Global Corporate Strategy, Corporate Communications & Inlicensing, JB Pharma
- Darryl Ratty, Executive Director, Global ESG, SK pharmteco

- Ines Windisch, Head of Corporate Affairs & Sustainability, Zentiva

12:20 – 13:30 **Networking Break**

13:30 – 13:55

Smart Solutions for Sustainable Pharma Packaging: Shaping the Future of Barrier Innovations

- Alejandro Martin, Global Sustainability Manager, Liveo Research GmbH

14:00 – 14:25

Healthcare – Sustainable Plastic Solutions for the Pharmaceutical Industry

- Juergen Bodenmueller, Business Development Director, Suedpack Medica AG

14:30 – 14:55

From Ambition to Action: Building a Net Zero Future in Pharma Manufacturing

- Sofia Sotiropoulou, Senior Director of Sustainability and Climate Innovation, Lonza Capsules & Health Ingredients

15:00 – 15:25

Key Drivers in Biomanufacturing Sustainability

- Geoffroy Malherbe, Sr. Manager, Thermo Fisher Scientific
- Carlos Ferrero, Field Application Scientist, Process Liquids, Thermo Fisher Scientific

15:30 – 15:55

Shaping the Future of Sustainable Antibiotics Manufacturing through ESG Integration

- Vera Carvalho Correia, Global ESG Senior Manager, Centrient Pharmaceuticals

16:00 – 16:45

Panel: From Compliance to Competitive Advantage: Navigating CSRD & CSDDD

MODERATOR: Nic Hunt, Group Head of Sustainability, Nelipak

PANELLISTS:

- Greta Koch, Parliamentary Assistant to MEP Voss, European Parliament
- Maija Pohjakallio, VP, Climate and Circular Economy, Corporate Affairs Metsä Board
- Jatin Budhraj, Sustainability Advisory Director, Nexio Projects

16:45 **End of Day 1**

Wednesday, 29 October 2025 | Hall 4 – 4.0G36

10:55 – 11:00 **Opening Address Day 2**

11:00 – 11:20

From Risk to Resilience: Building Sustainable Continuity in Pharma

- Guy Stone, Head of Business Continuity Management Roche, Diagnostics Roche

11:20 – 12:20

Supply Chains Under Pressure: Building for Strength, Not Just Speed

MODERATOR: Deirdre O'Reilly, Past Chair PSCI, Pharmaceutical Supply Chain Initiative

PANELLISTS:

- Ximena Stawsky, Healthcare Supply Chain Head Europe, Merck KgaA Germany
- Gabriele Harttung, Global Head CoE Human Rights, Boehringer Ingelheim
- Guy Stone, Head of Business Continuity Management Roche Diagnostics, Roche

12:20 – 13:30 **Networking Break**

13:30 – 13:55

Technologies for Improving Sustainability in API Manufacturing

- Olivier Dapremont, Executive Director Process Technologies, SK pharmteco

14:00 – 14:25

Still Sourcing Squalene From Sharks? Phytosquene® Plant-Based Squalene for Parenteral Applications

- Andreas Jakob, Global Customer Project Manager for Lipids | Evonik Health Care, Evonik Industries AG

14:30 – 14:55

Aptar Pharma: Advancing Sustainability in Parenteral Packaging Manufacturing

- Bruno Morchain, Innovation & Scientific Affairs Manager, Aptar Pharma

15:00 – 15:25

Advancing Circularity and Climate Responsibility: Implementation of ISCC+ Certification in Flexsafe® Bags

- Matilde Francia, Global Product Manager, Sartorius
- Yana Zelmanzon, Business Partner, Sustainability, Sartorius

15:30 – 15:55

Transparency at Scale: Automating Lifecycle Assessments for Pharmaceuticals

- Daniel Bochnitschek, Co-Founder & Managing Director, AllocNow
- Benjamin Kuehne, Group Corporate Sustainability, Merck KgaA
- Lisa Schlereth, Product Carbon Footprint / LCA Lead Merck Healthcare, Ares Trading S.A. a business of Merck KGaA

16:00 – 16:45

AI: A Force for Good or a Sustainability Nightmare

MODERATOR: Sam Maguire, Sustainability lead, Clarasys

PANELLISTS:

- Sebastian Klotz, Head of Sustainability, IntegrityNext GmbH
- Kami Krista, CEO & Co-founder, Elio
- Ahir Pushpanath, Techno-commercial Director Biocatalysis, Bitbiome
- Laura Hoffmeister, Global Bioethics Lead, Bayer AG

16:45 End of Day 2

Thursday, 30 October 2025 | Hall 4 – 4.0G36

11:00 – 11:20

Market Shifts and Sustainability: Trends in LATAM – EU Pharmaceutical Trade

- Aurelio Arias, Director, EMEA Thought Leadership, IQVIA

11:20 – 12:20

The Impact of Environmental and Social Responsibility on Shaping LATAM–EU Trade Relations

MODERATOR: Isis Valle Rodrigues da Costa, Head of Regulatory Intelligence, Franklin da Costa Attorneys & Consultants

Pannellists:

- Peter Andersen, CEO, Grupo Centroflora
- Francesca de Rensis, Marketing Director, Indena
- Aurelio Arias, Director, EMEA Thought Leadership, IQVIA

12:20 – 12:45 Networking Break

12:45 – 13:10

Aligning Innovation with Hospital Needs: The Secure Blister-Free Syringe as a Sustainable Packaging Breakthrough

- Nadine Lampka, Senior Product Manager Pharma-Security, Schreiner MediPharm
- Christoph Zauner, Head of Global Product Management for Polymer Solutions, SCHOTT Pharma AG & Co. KGaA
- Lidia Smith, Sustainability & Product Manager, Körber

13:15 End of Conference

Missed a session?All content will be made available on **CPHI Online** after the show

Packaging & Device Innovation

Theatre Sponsor:

Catalent®

Join us at the Packaging & Device Innovation Theatre to discover the latest innovations and market drivers in pharmaceutical packaging.

Over three days, engage in conversations about the newest developments in clinical versus commercial packaging, the evolution of smart drug delivery, and connected health. Gain valuable insights into the latest anti-counterfeiting measures and RFP strategies.

Tuesday, 28 October 2025 | Hall 8 – 8.0J60

10:50 – 11:00 Opening Address Day 1

- Ton Knipscheer, Executive Director, ECPA

11:00 – 11:30

The Future of Packaging: How Smart and Connected Technologies Are Enhancing Consumer Interaction

- Srman Banerjee, Head of Diagnostics, Software Devices & Packaging, Takeda Pharmaceuticals

11:35 – 12:20

Panel: Shifting Dynamics Between Brand Owners and Contract Packers

MODERATOR: Ton Knipscheer, Executive Director, ECPA

PANELLISTS:

- Jason Tham, Chief Innovation Officer, Nulogy
- Manuel Becker, Head of Operational Excellence & Global External Manufacturing, Sanofi
- Cordula Schulz, Owner, Schulz Flexgroup
- Christoph Lewening, Business Development Manager, Allpack Group

12:20 – 13:30 Networking Break

13:30 – 13:55

Innovating Primary Packaging: The New SCHOTT Toppac® Cartridge

- Christoph Zauner, Head of Global Product Management Polymer Solutions, SCHOTT Pharma AG & Co. KGaA

14:00 – 14:25

Precision Meets Performance: Gx Elite Syringes for Biologics

- Maximilian Vogl, Head of Global Product Management Syringes, Gerresheimer

14:30 – 14:55

De-Risking Autoinjector Integration With Pre-Fillable Syringes

- Adam Stops, Head of Product Management (Drug Delivery Systems), Stevanato Group

15:00 – 15:25**Enabling the Shift: Innovations in Primary Packaging for Large-Volume Subcutaneous Injections**

- Isabelle Jeangoudoux, Head of Global Product Management Glass Syringes, SCHOTT Pharma AG & Co. KGaA
- Robert Lindner, Global Product Manager, SCHOTT Pharma AG & Co. KGaA

15:30 – 15:55**Cold Chain Packaging: Meeting Compliance and Sustainability Demands in Pharma**

- Kasper Ernest, Director General, GIRP

16:00 – 16:45**Panel: From Paper to Patient: How Digital Product Information is Reshaping Access and Trust in Medicines**

MODERATOR: Maarten Van Baelen, Managing Director, Van Baelen Strategic Advocacy
 PANELLISTS:

- Amine Mebarek, Head of Ethics & Compliance, Takeda Pharmaceuticals
- Koen Nauwelaerts, Regulatory Policy and Innovation Lead, Bayer
- David Rakowski, Partner, Deloitte

16:45 End of Day 1**Wednesday, 29 October 2025 | Hall 8 – 8.0J60****10:55 – 11:00 Opening Address Day 2**

- Robbie Wilson, Associate Director of Engineering – Health & Life Sciences, PA Consulting

11:00 – 11:30**From Design to Deployment: Scaling Drug Delivery Innovation for Health Equity in Emerging Markets**

- Sabine Kapasi, CEO & MD, Enira Consulting

11:35 – 11:50**Rethinking Injector Mechanics – A New Approach to BLEF-Based Modelling**

- Tom Oakley, VP Development, Sanner
- Jay Sayed, Principle Device Development Scientist, Pfizer
- Charlie Bowen, Device Engineer, Pfizer

11:50 – 12:05**From Force Data to Function – Software for Simulating and Optimising Injector Performance**

- Tom Oakley, VP Development, Sanner
- Jay Sayed, Principle Device Development Scientist, Pfizer

12:05 – 12:20**Modelling to Market – Enabling Smarter, Faster Injector Development**

- Alex Vasiev, Head of Drug-Device Integration, Sanner Group

12:20 – 13:30 Networking Break**13:30 – 13:55****Advancing Clinical Supply With Packaging Innovation, Automation, and FastChain®**

- Romina Thönneßen, Director, Operations, Catalent

14:00 – 14:25**Navigating the Syringe Development Process**

- Alfredo Ricci, CEO, Althena medical

14:30 – 14:55**Unlocking the Future of Aseptic Filling With GENEX – Robotic. Gloveless. Annex 1 Compliant**

- Marcel Weizel, Business Development Manager, Bausch + Ströbel SE + Co. KG

15:00 – 15:25**EZFill Smart: Driving Understanding of Primary Packaging and RTU Process Impacts on Drug Product Processing**

- Holger Krenz, Global Vice President Business Development High Value Products Tubular Glass, Gerresheimer

15:30 – 15:55**The Labelling Challenge Navigating Design Control Stages to Optimise Drug-Device Combination Product Labelling**

- Cornelia Hain, Head of Device Development, Polpharma Biologics

16:00 – 16:45**Integrating Wearables in Healthtech: Perspectives from Pharma and Beyond**

MODERATOR: Mayur Patel, Head of Quality and Regulatory, PA Consulting
 PANELLISTS:

- Hans Jensen, Business Development Lead, Drug Delivery, Cambridge Design Partnership

16:45 End of Day 2**Thursday, 30 October 2025 | Hall 8 – 8.0J60****11:00 – 11:30****Future-Ready Packaging: Getting Ahead of Packaging Needs in Cell & Gene Therapies**

11:35 – 12:20

Looking Ahead: The Road to Pharmapack

MODERATOR: Lucy Whittaker, Senior Content Producer, Informa Markets

PANELLISTS:

- Silvia Forroova, Director – Partnerships & Sustainability, Informa
- Sherma Ellis Daal, Event Director, Informa

12:20 – 12:50 **Networking**

12:50 – 13:15

Unlocking RTU Potential: A Collaborative Advancement Towards Scalable, Flexible Fill-Finish

- Holger Krenz, Global Vice President Business Development High Value Products Tubular Glass, Gerresheimer
- Florence Buscke, Head of Global Product Mgmt., SCHOTT Pharma AG & Co. KGaA
- Fabio Bertacchini, Senior Director of Commercial Excellence and Industry Stakeholders, Stevanato Group SpA

13:20 – 13:45

Best Vials for Cell & Gene Therapy Products Stored With Dry Ice and Liquid Nitrogen

- Shinichi Ikeda, Assistant Research Manager, Mitsubishi Gas Chemical Company, Inc.

13:45 **End of Conference**

Future of Pharma & Ingredients

Theatre Sponsor:

Siegfried

Join us at the Future of Pharma & Ingredients Theatre as we unveil the latest trends in sourcing, drug development and formulation.

Over three days, our experts will dissect cutting-edge developments in pharma ingredients and their pivotal role in shaping the future of medicine and ensuring patient safety. Delve into compelling case studies on excipients, nitrosamines, and nutraceuticals, sparking discussions that drive innovation forward.

Tuesday, 28 October 2025 | Hall 12.1 – 12.1C68

10:50 – 11:00 **Opening Address Day 1**

- Maggie Saykali, Director, EFCG (Cefic)

11:00 – 11:30

Keynote: Healthcare as a Right: the Headwinds Outweigh the Tailwinds

- Patrick Aghanian, Head of Europe Generics, Dr Reddy's Laboratories SA

11:35 – 12:20

The Critical Medicines Act: Game-Changing Opportunity for a Sustainable and Resilient Supply Chain?

MODERATOR: Maggie Saykali, Director, EFCG (Cefic)

PANELLISTS:

- Martin Jochen Klatt, Vice President, Pharma Solutions Sales Europe & Global Sales Omega-3, BASF
- Rebecca Guntern, Chief Commercial Officer, Sandoz
- Roberta Pizzocaro, President, Olon

12:20 – 13:15 **Networking Break**

13:15 – 13:40

Customer Centricity: A Crucial Aspect That Is Transforming the Pharmaceutical Industry

- Ingrid Altés Casanovas, Head of Middle East, Africa and Latam for the Global Partners Markets, Almirall SA
- Nuria Amador, Head of Europe and North America, Global Partners Markets, Almirall

13:45 – 14:10

Indena and TCG Greenchem Join Forces to Advance Next-Generation ADC Technologies

- Pietro Allegrini, R&D Director, Indena
- Chris Senanayake, CEO, TCG GreenChem, Inc.

14:15 – 14:40

Innovation in Green and Low-carbon Tech for Industry Sustainability

- Zhongda Pan, Senior Director of Process Chemistry, PharmaBlock

14:45 – 15:10

Smarter, Greener, Faster: The Future of Pharma Logistics.

- Magrietha Mallinson, Global Vice President, Healthcare, DP World

15:15 – 15:40

Empowering Innovation: The Future of Long-term Relationships in the Development and Manufacture of Injectables

- Lars Hahn, Senior Vice President Global Sales, Vetter Pharma International GmbH

15:45 – 16:10

Walking the Tightrope: Balancing Global Strategy and Local Reality

- Mert Erten, Head of Strategy & Business Development, Bayer Consumer Health Türkiye

16:15 – 17:00

Rescripting Global Pharma Manufacturing Footprint – Regional capacity undoing erstwhile global consolidation

MODERATOR: Pushpa Vijayaraghavan, Director, Sathguru Management Consultants

PANELLISTS:

- Lorraine Hill, Group Chief Operations Officer, Aspen Pharmacare Holdings Limited
- Tarek Hosni, CEO, Jamjoom Pharmaceutical Factory Co
- Markus Sieger, CEO, Polpharma Group Holding BV
- Namit Joshi, Chairman, Pharmexcil

17:00 End of Day 1

Wednesday, 29 October 2025 | Hall 12.1 – 12.1C68

10:55 – 11:00 Opening Address Day 2

- Ioannis Gasias, Business Development Manager, Petsivas

11:00 – 11:30

Science-Led Regulatory Reform: Accelerating Biosimilar Development to Expand Patient Access to Life-Changing Medicines

- Claire D'Abreu-Hayling, Chief Scientific Officer, Sandoz

11:35 – 12:20

Challenges to the Sustained Availability of Excipients

MODERATOR: Felicity Thomas, Associate Director of Editorial and Content, The Pharma Navigator

PANELLISTS:

- Iain Moore, Senior Advisor Operations, EXCiPACT asbl
- Nigel Langley, Global Technical Director Life Sciences, gChem
- Robert Williams, Chair, Pharmaceutical Supply Chain Initiative PSCI, Pharmaceutical Supply Chain Initiative
- Bram Baert, Senior Director Regulatory Affairs, Lonza Capsules & Health Ingredients
- Sebastian Form, Director Applied Sustainability Nutrition & Health, BASF

12:20 – 13:15 Networking Break

13:15 – 13:40

Greener Generic Drug Manufacturing – Biotransformation for a Sustainable Supply Chain

- Ines Windisch, Head of Corporate Affairs & Sustainability, Zentiva

13:45 – 14:10

From Lab to Launch: Cutting Time in Pharmaceutical Development

- Stefan Randl, Chief Scientific Officer, Siegfried

14:15 – 14:40

From Molecule to Market: Scalable Enteric Solutions for Accelerated Clinical and Commercial Success

- Frank Romanski, Vice President, Global Head of Strategic Growth & Revenue Management, Lonza Capsules & Health Ingredients

14:45 – 15:10

BCS-Based Biowaiver of Bioequivalence Studies

- Federico Benetti, ECSIN LAB Executive Director, Mérieux NutriSciences

15:15 – 15:40

Sustainability in Therapeutic Peptide Manufacturing: More a Necessity Than a Choice

- Antonio Ricci, Vice President Research & Development API, Fresenius Kabi iPSUM
- Marco Giallonardo, Key Account Manager, Fresenius Kabi iPSUM

15:45–16:25

Faster by Design: What's Driving the Acceleration of Drug Development Timelines?

MODERATOR: Raman Sehgal, Host, Molecule to Market

PANELLISTS:

- Stefan Randl Chief Scientific Officer, Siegfried
- Carina Syring, Vice President, Head of External Manufacturing, Bristol Myers Squibb
- Shilpi Ghosh, CDMO Site Management Commercial Chapter Lead and Localization, Roche
- Arantxa Sancho, Director of the Medical & Scientific Department, farmaindustria

16:30–16:45

Navigating Emerging Contaminants: Nitrosamines

- Naiffer Romero, Principal Scientist, United State Pharmacopeia (USP)

16:45–17:00

Navigating Emerging Contaminant: PFAS – Sources, Regulations, Detection and Mitigation

- Lisa Peng, Director, Kline Group

17:00–17:15

Navigating Emerging Contaminants: Annex 1 & Contamination Control

- Jyotsna Agnihotry, Head of Quality Assurance & Regulatory Affairs, Flavine Europe GmbH

17:15 End of Day 2

Thursday, 30 October 2025 | Hall 12.1 – 12.1C68

11:00–11:30

The Fragile Economics of Essential Medicines: What Future for Pharma?

- Alexander Krujatz, Chief Commercial Officer, Centrient Pharmaceuticals

11:35 –12:15

Beyond Traditional Markets: The Strategic Importance of Emerging Pharma Trends and CDMO Innovation

MODERATOR: Gerardo Zapata, Biotechnology Consultant, Zapata Bio LLC

PANELLISTS:

- Carrie Bracco, Head Business Development CDMO, Novartis
- Dirk Lange, CEO, Pyramid Pharma Services
- J.D. Mowery, President, Bora Pharmaceuticals
- Hanns-Christian Mahler, CEO, ten23 health

12:15 – 12:45 Networking Break

12:45 – 13:10

Actylis – Unique Supply. Simplified.

- Jai Murthy, Vice President, Global Portfolio Management, Actylis

13:15 – 13:40

Reserved for Ferron Pharma

13:45 – 14:10

Scaling Spray Drying for Tomorrow's Therapies to Ensure Supply Chain Resilience

- Iris Duarte, Account Executive, Catalent

14:10 End of Conference

Clinical Innovation

Our Clinical Innovation Theatre will showcase groundbreaking approaches and technological advancements transforming clinical trials and patient outcomes.

Gain insights into decentralised trial methodologies, explore the integration of digital biomarkers and real-world evidence in clinical research, and discover how AI-powered analytics are accelerating drug development timelines while enhancing patient-centricity across the clinical landscape.

Tuesday, 28 October 2025 | Hall 6.1 – 6.1C92

10:50 – 11:00 Opening Address Day 1

- Ben Illigens, CEO, Data4Life

11:00 – 11:30

The Future of Clinical Research: Driving Advancement With Next-Gen Technology

- Fernanda Polubriaginof, Associate Chief Health Informatics Officer, Memorial Sloan Kettering

11:35 – 12:20

Panel: From Collaboration to Commitment: Strengthening CRO–End User Relationships

MODERATOR: Peter Harrsch, Chief Science Officer, Brandwidth Solutions

PANELLISTS:

- Arjen Akkerman, Senior Director, Accelerated Pharmaceutical Solutions ICON
- Georgia Sloboda, Managing Director, Sia/LBG Latham Biopharm Group – part of Sia Partners
- Nurcan Coskun, Former Program Management Leader, Johnson & Johnson
- Jessica Cordes, Interim Head of Clinical Operations, Clinical Excellence GmbH

12:20 – 13:15 Networking Break

13:15 – 13:40

Quantifying the Value Proposition of Integrated CDMO–CRO Collaborations

- Abigail Dirks, Data Scientist, Tufts Center for the Study of Drug Development

13:45 – 14:10

Benefits and Challenges of Transitioning From a Centralised to a Decentralised Model for the Manufacturing of Investigational Cell&Gene Therapy Medicinal Products

- Simona Guidi, Associate Director Cell&Gene Quality and Compliance, ProPharma

14:15 – 14:40

Enabling Dosing Flexibility in Early Phase Trials: An Integrated CMC and Manufacturing Strategy

- Suzanne Jansen, Manager QC Laboratory, QP, ICON Clinical Solutions

14:45 – 15:10

ENCACTUS Study: A New Chapter in Nucleotide Therapy for Neuropathy

- Stojan Perić, Assoc. Prof., MD, PhD, Neurologist, Rhei Life

15:15 – 15:40

From Data to Evidence: Unlocking Real-World Health Intelligence for Global Trials

- Ben Illigens, CEO, Data4Life

15:45 – 16:10

Harnessing AI in Clinical Practice to Drug Development and R&D. From the Bedside to Benches

- Gustavo Ferrer, CEO, Dr.Ferrer BioPharma and Moxie Health Group

16:15 – 16:35

The Future of Forecasting With Agentic AI and Automation for Clinical Through to Manufacturing

- Charles Rink, Sr. Principal, Data Management & Tech Analytics, IQVIA

16:40 – 17:25

Biologics in Motion: Navigating the Clinical Trials Landscape in Europe

- Ana Antunes, Head of International Affairs, MABDESIGN
- Sanobar Syed, Senior Director, Boehringer Ingelheim
- Rafael Grochot, Medical Oncologist, Clinical Trials Specialist Sarah Cannon Research Institute

17:25 End of Day 1

Wednesday, 29 October 2025 | Hall 6.1 – 6.1C92**10:50 – 11:00 Opening Address Day 2****11:00 – 11:20****Planning for Success Through Design: Environmental Sustainability in Clinical Trials Through Pre-Competitive Collaboration, Innovation and Action**

- Fiona Adshead, Chair, Sustainable Healthcare Coalition
- Jürgen Wieland, Development Environmental Sustainability Lead, Novartis

11:20 – 12:05**Panel: What Success Looks Like: The Action That We Have Already Taken Together and What We'll Do Next**

MODERATOR: Fiona Adshead, Chair, Sustainable Healthcare Coalition

PANELLISTS:

- Carly Santer, Strategic Advisor, Pharma and Healthcare Systems Sustainability, Bayer
- Jürgen Wieland, Development Environmental Sustainability Lead, Novartis
- Hugh Whetherly, Environmental Senior Consultant, ERM
- Dr Nathalie Preiswerk, Mediator and Moderator, Sustainable Healthcare Coalition

12:05 – 13:15 Networking Break**13:15 – 13:40****Clinical Innovation in Obesity: The Next Five Years in Obesity Development**

- Aurelio Arias, Director, EMEA Thought Leadership, IQVIA

13:45 – 14:10**Advancing Clinical Trials in Africa**

- Mimi Choon-Quinones, Founder & Board Chairwoman, Partners For Patients NGO
- Ben Illigens, CEO, Data4Life

14:15 – 14:40**Funding Clinical Innovation- a New Frontier for Biologics**

- Rajiv Khatau, Managing Director, Lodaat Pharma and Life Sciences Advisors LLC

14:45 – 15:10**Closing the Women's Health Gap: A \$1 Trillion Opportunity for Pharma Innovation**

- Jacqueline Brassey, Co-Director of Healthy Workforces and Director of Research Science, McKinsey Health Institute

15:15 – 15:40**Reimagining Gynae Health: From Period Pain to Precision Diagnostics**

- Valentina Milanova, Founder & CEO, Daye

15:45 – 16:30**Bridging Global and Gender Data Gaps: The Dual Challenge in Clinical Trial Excellence**

MODERATOR: Emma Banks, CEO, remarketing

PANELLISTS:

- Valentina Milanova, Founder & CEO, Daye
- Mimi Choon-Quinones, Founder & Board Chairwoman, Partners For Patients NGO
- Sanobar Syed, Senior Director, Boehringer Ingelheim
- Sabine Kapasi, CEO & MD, Enira Consulting

16:30 End of Day 2**Thursday, 30 October 2025 | Hall 6.1 – 6.1C92****11:00 – 11:45****AI's Impact on the Pharma Workforce and Hiring: From Obsolescence to Opportunity**

MODERATOR: Vivian Xie, Editor – Pharma, Informa

Sustainability Power Hour

A fast-paced overview of the most impactful industry collaborations driving sustainability today.

MODERATOR: Peylina Chu Chair, Steering Committee, CPHI Sustainability Collective

SPEAKERS:

- Fiona Adshead, Chair, Sustainable Healthcare Coalition
- Simon Campbell, Packaging Innovation Director, Reckitt
- Robert Williams, Chair, Pharmaceutical Supply Chain Initiative PSCI, Pharmaceutical Supply Chain Initiative
- Nic Hunt, Group Head of Sustainability, Nelipak
- Miranda Hadfield, Partner, BCG
- Nicola Coles, Sustainability Director, BioPhorum
- Philipp Ludihuser, Sustainability Manager, SCHOTT Pharma AG & CO. KGaA
- Nadine Lampka, Senior Product Manager Pharma-Security, Schreiner MediPharm

11:05 – 11:20

Advanced Mopology: Scientific Analysis of the Wiping Process

- Dietmar Pfennig, CEO, PFENNIG Reinigungstechnik

11:20 – 11:35 Next Level Learning in Contamination Control: From Mandatory Training to a True Learning Culture

- Simon Fiala, Head of Training and Learning Solutions, comprei Reinraum-Handel- und Schulungs GesmbH

11:35 – 11:50

Precision Matters: ISO 21501-4 Calibration of Particle Counters

- Thomas Christen, CEO and Owner, vali.sys ag

11:50 – 12:05

How to Fast-Track Large Site and Logistics Investments Through an Early, Integrated Approach

- Gregor Brune, Managing Partner, RSE+

12:05 – 12:20

Annex 1 Cleanroom Garment – Performance Qualification

- Jörg Mesenich, Cleanroom Garment Specialist, Dastex Group GmbH

12:20 – 12:35

Key Elements for a Successful Cleanroom Garment Concept

- Hans-Jörg Kronberger, Regional Sales Manager, Elis

12:40 – 13:30

Sustainability in Cleanroom Operations

MODERATOR: Sanky Saad Marzouk, Sales Director Cleanroom, Elis Cleanroom

PANELLISTS:

- Haşim Solmaz, VP of Innovation, Lighthouse Worldwide Solutions
- Lukas Holzinger, Managing Partner, RSE+ Architekten Ingenieure GmbH
- Egle Hammering, CSR Manager, Cleanroom, Elis Cleanroom

Awards party sponsors:

CPHI Celebration

Enjoy an unforgettable night of glamour!

CPHI Celebration is where pharma's elite gather to connect, celebrate and create lasting partnerships as we toast the winners of the Pharma Awards.

Network and mingle while we honour the brightest minds shaping pharma's future. Join industry leaders and visionaries as we celebrate innovators making a difference – individuals, teams and companies breaking new ground.

This year's entries have set a remarkable standard, each embodying the profound theme of 'transformation' – a testament to the industry's relentless pursuit of progress.

Don't miss this inspiring celebration of ingenuity within the global pharma community as we experience CPHI Celebration: Powering Transformation. Be there to experience the excitement and applaud the remarkable efforts propelling our industry into the future!

Register and get ready to witness the pinnacle of pharma innovation at CPHI Celebration.

28 October
18:00–22:00
Forum Panorama Room

PHARMAPACK 
by informa •••

PARIS
21–22 JAN 2026

25th
Anniversary

Europe's leading pharma packaging and drug delivery device event returns to Paris to celebrate 25 years of working with you, our pharma community. And it's set to be the biggest celebration yet!

Key highlights:

- **6000+** pharma packaging professionals
- Representatives from **90+ countries**
- **400+** exhibitors
- **65+** speaking sessions
- **Pharmapack Awards:** Celebrate the innovations shaping the future of pharma packaging

Join other pharma industry leaders

Book your space at CPHI Milan 2026

Secure your stand during CPHI Frankfurt 2025

It's never too early to start planning ahead! Visit our Sales stands at **3.1D68**, **8.0P95**, or **11.0F68** to book your space for CPHI Milan.

From Frankfurt to Milan: The evolution continues

CPHI Milan 2026 | 6–8 October | Fiera Milano

Building on Frankfurt's success

As you experience the energy and innovation of CPHI Frankfurt, we're already preparing to take the global pharma gathering to new heights in Milan. The connections you're making today will continue to flourish at CPHI Milan 2026, where we'll deliver an even more exceptional experience.

Why Milan in 2026?

Milan is Italy's pharma powerhouse region, generating **€74.5 billion in revenue** and housing **250+ pharma companies** – a natural choice for CPHI. The 2024 edition demonstrated Milan's potential:

- **58,664** industry professionals from **166+** countries
- **2,838** exhibiting companies showcasing innovation
- **75,000+** confirmed meetings driving business growth

Your feedback shapes our future

Transport

400 new taxi licenses issued in Milan, ensuring **smoother city navigation**

Accommodation

8,500 rooms across Milan at competitive rates – a 35% increase from 2024

Help us improve!

Shape the future of CPHI by completing our brief survey!

Your valuable feedback will help us create a more personalised experience when we welcome you back. Together, let's make your next CPHI event even better.

Take the survey

We've listened carefully to your experiences and are implementing significant improvements for 2026:

Venue
