# CPHI Celebration

**CPHI Celebration – The Pharma Awards and Networking Party delivered another spectacular milestone during CPHI Frankfurt, celebrating innovation, excellence, and remarkable achievements across the pharma industry.**

With carefully curated guest lists, world-class entertainment, and an atmosphere designed for meaningful high-level networking, CPHI Celebration once again proved to be an unforgettable highlight of CPHI Frankfurt. The evening perfectly embodied recognition and connection, reinforcing the global pharma community's dynamic spirit and forward-thinking vision.

The 22nd annual CPHI Pharma Awards stood as the evening's centrepiece, recognising pioneering innovators, exceptional individuals, and dedicated teams, setting a remarkable standard, each embodying the profound theme of 'transformation' – a testament to the industry's relentless pursuit of progress. With over 300 entries across 14 award categories, the event celebrated excellence throughout every aspect of pharma innovation.

# Sustainability at CPHI Frankfurt: breaking new ground

Sustainability at CPHI Frankfurt: supporting a greener future in pharma. Here are the key highlights:

**First-ever Sustainability Roundtable:** 10 global industry leaders addressed critical challenges and mapped pathways to transformative impact across four key areas:

- **Corporate sustainability** vision and strategic goal-setting
- **Segmental opportunities** spanning biologicals, APIs, generics, packaging, and CDMOs
- **Innovation enablers** including supply-side advances and regulatory evolution
- **Unlocking potential** by identifying barriers and charting the way forward

**Inaugural Sustainability Power Hour:**

7 powerful industry collaborations showcased their sustainability initiatives in dynamic presentations.

**Sustainability Networking Event:**

Celebrating the 1-year anniversary of the [CPHI Sustainability Collective](#), bringing together the sustainability community for meaningful connections

**Pharmaceutical Sustainability Ecosystem Launch:**

Our new comprehensive platform spotlights organisations leading sustainable practices, driving knowledge sharing and collaboration across the pharmaceutical industry. [Explore the Pharmaceutical Sustainability Ecosystem](#) to be part of this transformative movement.
