

Women in Pharma

29th November 2023

11am-2pm

**Pharma Talk Program,
Registration Hall, IEML,
Greater Noida**

Empowering Excellence: Women in Pharma Conference

Event Overview

Embark on a journey toward gender diversity and empowerment at the **"Empowering Excellence: Women in Pharma"** Conference. Join a gathering of industry leaders, visionaries, and advocates for vibrant discussions focused on strategies that elevate female representation and foster workforce diversity within the pharmaceutical landscape. Also, get an opportunity to explore the transformative potential of inclusive leadership and establishing meaningful connections through engaging breakout sessions. This conference will provide a platform to participate in the meaning discussions related to reshaping the sphere of women's influence in pharma.
