

## **Exhibitor Liability Insurance Program**

As a standard requirement for all our show exhibitors, it is necessary for you to carry general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 aggregate. <u>Insurance Coverage is not optional.</u>

This insurance must be in force during the lease dates of the event, May 16-24, 2025 naming Informa Markets LLC (605 Third Avenue, 22nd Floor, New York, NY 10158) as the certificate holder. The following must be listed as additional insured: Informa Markets LLC and CPHI 2025, Pennsylvania Convention Center and Freeman.

Informa Markets LLC has requested that Rainprotection serve as their insurance management company. In addition to being able to provide exhibitors with insurance, we are also collecting and verifying that all insurance certificates, regardless of the insurer, are verified for compliance.

## **Rainprotection Insurance Program**

If you do not have insurance, or you would rather not use your own insurance, (similar to when you rent a car – so that claims would not be filed against your policy), we have set up a program with Rainprotection Insurance through which, you can purchase compliant insurance instantly online.

#### Benefits of using this program:

- No Deductible unlike your corporate policy, Rainprotection's policy has no deductible. Should there be a claim, you will
  have no out of pocket costs and your future rates will not go up since you would not need to submit a claim on your policy.
- No Hassles you will not need to go back and forth with your broker adding additional insureds and making your insurance compliant with show requirements.
- Coverage for exhibitors who do not have an existing policy.
- Coverage for international exhibitors whose insurance will not cover them in the U.S.A.
- Easy and Inexpensive to purchase instantly online.
- Already pre-filled with all the proper show information.
- Submitted to show management for you Once purchased, they automatically receive a copy.
