Exhibitors List

The complete exhibitors list will be available in February

Japan is Asia's engine for advanced drug discovery, a global leader in innovation, quality, and regulatory excellence. As the world's third-largest pharma market, it's home to groundbreaking R&D, high production standards, and unmatched trust in healthcare.

At CPHI Japan, you'll connect with this thriving ecosystem and explore exhibitors across five specialised zones: Ingredients, Outsourcing, Biopharma, Machinery & Equipment, and DDS & Packaging.

Meet the companies, insights, and opportunities shaping the future of pharmaceuticals across the Asia-Pacific region.
